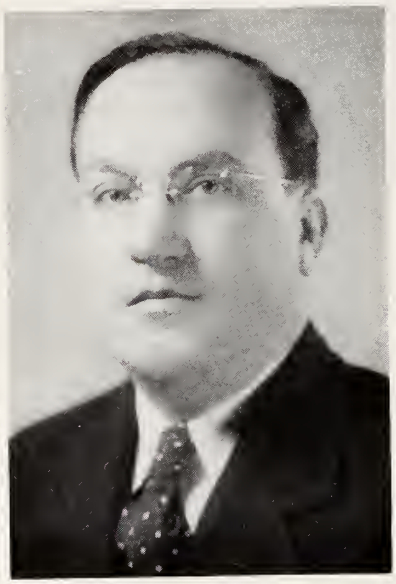
The COLLEGE



IRVINE S. INGRAM, A.B., M.A.
President

Our President

Always gallantly striving to be of assistance to youth, President Irvine S. Ingram has again guided West Georgia College in a noble manner. This year, and all other years since the college was established, President Ingram has demonstrated a courageous zeal toward his ideals. His abilities, supported by his agile mind, have truly been appreciated by all who have felt his influence.

The Homes of Our President and Dean

Our Dean

With a burden of apparently intolerable duties, Dean W. Fred Gunn has filled his position with admirable patience and perseverance. After all is said and done, the students of West Georgia College admire his keen intelligence and regard with reverence the things for which he stands — intellectual and moral righteousness.

ACTIVITIES

OFFICERS' CLUB

Attendant circumstances and a beckoning horizon of possibilities made the long sought Officers' Club become a reality this term. The concerted action of the officials of the organizations of the campus brought forth this *club of clubs*. With dauntless determination the members hastily drew up a constitution, immediately engaged the recognition of the administration, and set out to be a dominating influence on the campus. The welfare of the entire student body has felt the benefits of its herculean force.

ZETA SIGMA PI

The nobility of the purpose of Zeta Sigma Pi was fully realized this year. This was demonstrated by the "Little Forums" which dealt with the current social and economic problems of the South. A burning comprehension of the "way out" for the South was always in the minds of the members of this honorary social science organization. Its versatile influences were felt when "Club Night" was so successfully sponsored.

ALMA MATER

Alma mater, alma mater, hail, hail to thee.
The shrine of our eternal love and youth
Will live forever in the ways of truth.
West Georgia lifts her head above the beauty
Of the coronets that crown the verdant hills;
Her throne securely rests amid the woodland
Where nature's sweetest tribute daily spills.
Marching feet are guided by her sure light,
Shining on the darkness like a star;
The candles of her children now are burning
To reflect a mother's spirit from afar.

—Aaron Buckalew

Georgia Braves

The West Georgia Braves won ten games and lost a total of eight this season. With a record of ten victories and six losses the team went to the State Junior College Tournament at Douglas on February 23, with hopes of winning several games. However, they were defeated in their first game by Norman Park. Then in a post-season game with the Carrollton Redskins for the City Championship the Braves met defeat again.

High score man for our team was Merlin Goss with a total of 157 points. Glenn and Seth Whittemore were next with 129 and 126, respectively. Captain Dalton Scott stood out consistently as a good guard and a good team man. O. E. Smith also played good ball at the forward position. A valuable asset to the team in the latter part of the season was Jack Hamby. The Braves had other good men in the strong second team who helped to win several of the games.
